Take a full-throttle tour through more than a century of Harley-Davidson history with this definitive e-guide. The Ultimate Harley-Davidson tells the story of the world's greatest motorcycle make—from its origins in a backyard shed to the international company it is today, more than 100 years later. From the early bikes and their key innovations to the v-roads and sports bikes of recent years, it is the complete e-guide for lovers of this American classic. Gloriously illustrated gallery spreads showcase more than 70 of the best-loved Harleys ever created, drawing out their defining features. Spectacular close-ups of key engines explain how the classic Harleys ran, while an updated catalog of every production model provides technical data and key specs for each bike. Whether you're an easy rider or born to be wild—or just mad about motorcycles—there is only one Harley-Davidson, and this is the ebook for you.
