4-3-1-2 Guide I was inspired to jump into the 4-3-1-2 because I love messing with tactics, and I think CDMs are useless as destroyers in FIFA 14. I might as well have a great attacking midfield because when people counter the CDM is useless anyway and when they have possession my midfield is back there anyway.

"An outstanding work ... the [soccer] book of the decade." -Sunday Business Post Inverting the Pyramid is a pioneering soccer book that chronicles the evolution of soccer tactics and the lives of the itinerant coaching geniuses who have spread their distinctive styles across the globe. Through Jonathan Wilson's brilliant historical detective work we learn how the South Americans shrugged off the British colonial order to add their own finesse to the game; how the Europeans harnessed individual technique and built it into a team structure; how the game once featured five forwards up front, while now a lone striker is not uncommon. Inverting the Pyramid provides a definitive understanding of the tactical genius of modern-day Barcelona, for the first time showing how their style of play developed from Dutch "Total Football," which itself was an evolution of the Scottish passing game invented by Queens Park in the 1870s and taken on by Tottenham Hotspur in the 1930s. Inverting the Pyramid has been called the "Big Daddy" (Zonal Marking) of soccer tactics books; it is essential for any coach, fan, player, or fantasy manager of the

This book addresses the practical aspects of vibration exercise and vibration therapy. In addition, it describes the technical and physiological background, providing applied scientists and doctors with a deeper understanding of the therapeutic potential that vibration exercise holds. Having first emerged two decades ago, vibration exercise has since established itself as a widespread form of physical exercise, used in all rehabilitation areas. The goal of this book is to close the gap between scientific knowledge and practice. Given that occupational exposure to vibration leads to well-known unfavorable effects, the book is also dedicated to potential risks, hazards and contra-indications and of course, the application of vibration therapy in a number of specific conditions is presented in a clinically usable fashion. Given its breadth of coverage, this book will be of interest to physiotherapists and exercise scientists, but also to a wider range of physicians working in the field of rehabilitation.

Admitting you're a bell-end is the first step to salvation... KSI is one of the biggest and baddest YouTube stars on the planet. With over a billion views and millions of subscribers to his name, he is the undisputed king of social media. But despite this success he is a self-confessed bell-end. Excessively posting selfies, oversharing about his dead nan, spending all day scouring Tinder and suffering from red-hot Fifa rage, are just some of his undesirable online habits. However, with acceptance comes salvation and now KSI is blowing the doors off the internet to find the cure. No one is spared, as KSI takes down fellow YouTubers, trolls, paedos, Tinder catfishers and Nigerian scammers in an all-out assault on the online universe. Along the way he also reveals how to become a YouTube kingpin as well as his hot Fifa tips, before he unveils his online revolution to help save the next generation from his fate. So, if you want to avoid becoming a total bell-end, then calm your tits, and simply take the medicine KSI is dishing up.

The 2018 World Cup edition of the international bestseller and "the most intelligent book ever written about soccer" (San Francisco Chronicle) is updated throughout and features new chapters on the FIFA scandal, why Iceland wins, and women's soccer. Named one of the Best Books of the Year by the Guardian, Slate, Financial Times, Independent (UK), and Bloomberg News Written with an economist's brain and a soccer writer's skill, Soccernomics applies high-powered analytical tools to everyday soccer topics, looking at data and revealing counterintuitive truths about the world's most beloved game. It all adds up to a revolutionary new approach that has helped change the way the game is played. This World Cup edition features ample new material, including fresh insights into FIFA's corruption, the surge in domestic violence during World Cups, and Western Europe's unprecedented dominance of global soccer.

This is a treatise and commentary on French arbitration law including the updates brought in by the 2011 Decree. It follows the logical structure of the new decree itself, providing detailed analysis of both domestic and international arbitration law conducted under French arbitral procedure.
