The Mermaid's Treasure has been mentioned a couple of times through the course of the series. It has been one of the few treasures that Captain Hook is constantly bullying the mermaids into revealing their treasure, even attempting to use Queen Coralie as a ransom to force the mermaids to give him their treasure. Role in the series

Growing up the daughter of a famous mermaid and the second in command of the angelic legions can put a lot of pressure on a girl. Though she loves her parents, Alexis has chosen to live among humans as an ordinary college girl, but she can't hide the tranquil aura of angelic light and empathic ability that draws people to her. Unfortunately, while it draws men to her, none of them are willing to cross the line to find her true heart and soul or even give her a decently passionate kiss. That is, until she begins to dream of a male trapped in fire and rage, who wants her so badly he'll tear the universe apart to have her. However, while all she can feel is his pain and suffering, and a yearning to heal him, Dante sees her as the way to his freedom. He thinks he's willing to destroy her to accomplish that, but once he kidnaps her into his world and is confronted with the girl who is the opposite of everything he's ever known, he starts to wonder if his freedom is as important as keeping her by his side.

A story of two lovers who could not be more different. Daughter to an angel and a mermaid, Alexis has grown up in peaceful waters. So when her nightmares begin, the mer-angel has little idea what to make of them. In her dream is the loneliest man Alexis has ever met—and she's strangely drawn to him. Until the night her dream comes true... Born of a vampire and a Dark One, Dante only knows brutality. And although he's the leader of the underworld, he longs to escape it. How better than to hold for ransom the Prime Legion Commander's daughter? But there's one thing Dante never planned on—the way Alexis steals his heart.

The follow-up to A Mermaid's Kiss—from a national bestselling author who "stands out in a genre known for its out-of-the-ordinary love play." (The Romance Studio) Mina is the daughter of an unholy union—a mermaid taken by one of the malevolent Dark Ones. While helping to rescue Prime Legion Commander Jonah, she exposed herself as a potentially dangerous weapon, susceptible to the darkness in her own blood. Now, for the general good, Jonah has angels watching over her... Though Mina is resistant to being protected, her attitude begins to change when David, the human-born angel, is awarded the duty. Looking into his eyes, she can sense that he too knows what it means to fight the darkness within. But—as their passion threatens to take

A Mermaid 's Journal by Melissa G. Goodmon This is my story. You can choose to believe it to be true or you can believe it to be just another really big fish tale. Read it and decide for yourself. I am a mermaid! A real, live mermaid! You heard me right. I am a real, honest to goodness mermaid, a human that has a fish tail. Well, some of the time. I guess most won ' t believe my story and will be skeptical that any of it is true at all, but I know my best friend in the whole world (and I mean that literally) believes my story to be completely and genuinely true. She, in fact, is the one who had the idea that I should put it all down on paper for you to read, changing the names and places to protect the innocent, of course. Mer-people are real! So, I will just get right to telling my story. It was a warm and sunny spring morning...

In alternating chapters, the story tells of the mermaid Syrenka's love for Ezra in 1872 that leads to a series of horrific murders, and present-day Hester's encounter with a ghost that reveals her connection to the murders and to Syrenka.

An Ode to the Joy of Making Waves Ah, salty breezes, beach hair, the feeling of bare feet in warm sand—and the fun of imagining life under ocean waves. Mermaid life is the life, and it is a lifestyle, or an aspiration, that ' s right on trend. Whether emblazoned on a T-shirt or used as a home decor motif, mermaids represent freedom of spirit, empowerment, and being true to oneself. Exactly the life espoused and celebrated in Mermaid Life by Christine De Carvalho, whose whimsical illustrations and exquisite hand-lettering capture the sense of magic that makes mermaids so appealing. Inspiring readers to embrace their inner mermaid, let their worries drift away, and seas the day, the book shines with an inclusive, body-positive spirit, featuring mermaids of diverse shapes, sizes, and skin tones. Mermen are represented, as are adorable, half-cat purrmaids and a variety of ocean animals. Accompanying the illustrations are quotes, mermaid definitions, mermaid mantras, like Dive deep for the treasure you seek, and mermaid folklore: Did you know mermaids are believed to possess powers of immortality, clairvoyance, telepathy, and hypnosis?

"Stella loves books so much, she starts her own library--but then a storm threatens to destroy everything"--
