Just to be clear right off the bat: War of Gifts is a novella. Weighing in at a mere 120 pages, and not very dense pages at that, this is not a book to be taking on a trans-Pacific flight. I suggest that you listen to Ender's Game, Ender's Shadow and then A War of Gifts. It is an extra story that adds details to the lives of the battle school brats. I love the different points of view and hearing more about the other children who grew up with Ender and Bean. It is a great adventure!
