According to Balderdash rules, point scoring in the game takes place as follows: Score one. A player gets one point if he guesses the correct answer. One point is given to a player for every vote his answer receives. Score two. A player is awarded two points if their bluff closely resembles the correct answer. This rule is not applicable to the dasher.

While the other players are

## File Type PDF Balderdash Answer Sheets

writing their answers, the Dasher writes the real answer (found on the light green answer side) in his own words on his Bluffing Sheet, so as to disguise it when he reads it out with the made up answers. He then returns the card to the rear of the card box. The players hand their completed Bluffing Sheets to the Dasher.
