~~Bank 3.0: Why Banking Is No Longer Somewhere You Go But ...~~

Of course, margin compression, increased regulation and demand for higher profits are just some of the challenges facing all banking professionals today. In Bank 3.0, King concisely addresses another challenge that makes all the others pale in comparison—the dreaded technological challenge of mobile banking and loss of customers to non-bank competitors if bankers don't address the consumer's call for greater access through this channel.

~~Bank 3.0: Why banking is no longer somewhere you go, but ...~~

In BANK 3.0, Brett King brings the story up to date with the latest trends redefining financial services and payments—from the global scramble for dominance of the mobile wallet and the expectations created by tablet computing to the operationalising of the cloud, the explosion of social media, and the rise of the de-banked consumer, who doesn't need a bank at all. BANK 3.0 shows that the gap between customers and financial services players is rapidly widening, leaving massive ...

~~Bank 3 0 Why Banking by Brett King - AbeBooks~~

With rapid shifts in consumer behavior and the contextualization of banking, the concept of the 'bank' as a place is starting to be challenged. In this brief video Brett King, author of the new bestseller BANK 3.0, discusses how the split between the traditional banking system and the way consumers will access bank products and services will become increasingly evident in the short-term.
