The History of Black Muslims in America - ThoughtCo

African-American Muslims, also colloquially known as Black Muslims, are an African American religious minority. They represent one of the larger minority Muslim populations of the United States as there isn't an ethnic group that makes up the majority of American Muslims. They are represented in Sunni and Shia denominations as well as smaller sects, such as the Nation of Islam. The history of African American Muslims is related to African-American history, in general, and

The Third Edition

America's first Black Muslims were slaves who were kidnapped from predominantly Muslim parts of West Africa, some of whom left their mark on African American culture through music and literature. At the beginning of the 20th century, Muslim movements in the Black community were seen by many as going back to their ancestors' original faith.

members of one of the most militant and separatist black religious movements in America, the Nation of Islam. Although it uses the term "Islam" as part of its official name, the Nation is essentially a "proto-Islamic" movement; it utilizes some of the symbols and trappings of Islam, but its central message is black nationalism.
