Discover success in global business today with the most strategic approach to international business topics and unique coverage not found in other books. GLOBAL BUSINESS, 4th Edition, is the first global business book that answers the big question, What determines the success and failure of firms around the globe? Globally renowned scholar and author Mike Peng integrates both an institution-based view and resource-based view throughout every chapter, bringing an unparalleled continuity and strategic approach to the learning process. The book combines an inviting, conversational style with the latest research and examples that reflect the most recent global developments. A wealth of business cases from Mike Peng and other respected international experts delve into how companies throughout the world have expanded globally. All-new video cases that cover every chapter's opening case and closing case, world maps that connect geography and culture to business decisions, and unique global debate sections that draw you into cutting-edge international discussions help you learn to think independently and view business challenges from a truly global perspective. With GLOBAL BUSINESS, 4th Edition, you view business through the eyes of a true world citizen and gain the understanding you need to become an effective manager within today's global business landscape. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Exactly the right amount of support at each level ensures that you really get the most out of your GNVQ students. There is a Student Book covering all the compulsory units, Tutor's Resource File for each level and a Student Book covering four of the optional units at Intermediate level.

MORAL ISSUES IN BUSINESS, 13E examines the moral dilemmas that are common to today's business climate and gives readers the analytical tools to resolve those issues. Using a combination of true stories, interesting reading selections, and a conversational writing style, this edition prepares readers for the moral quandaries awaiting them in the professional world. Featured topics include: the nature of morality, individual integrity and responsibility, economic justice, pitfalls of capitalism, and corporations' responsibilities to consumers and the environment. Plus, this edition also discusses situation-specific concepts such as downsizing, whistle blowing, sexual harassment, job discrimination, animal abuse, and drug testing. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
