Planning to have a baby is an exciting time for any family, but difficulties with conception can quickly turn excitement into anxiety and worry. For 14 percent of couples in the United States, creating a life is not the miraculous experience they expected, but rather one filled with stress, trips to the doctor, and invasive procedures. But infertility treatment doesn't have to be invasive and distant. In *Curing Infertility with Ancient Chinese Medicine*, fertility expert Dr. Yaron Seidman teaches couples how to live healthier, more balanced lives and create an environment where a baby can grow without resorting to surgery. *Curing Infertility with Ancient*

File Type PDF Chinese Natural Cures

Chinese Medicine shows you how it is possible to conceive even when Western medicine has deemed it impossible. Dr. Seidman explains in a clear, concise, and easy-to-follow way how patients can use the Hunyuan Method to dramatically increase their ability to conceive in a healthy, natural way and improve overall health using ancient Chinese herbal medicine. Primarily intended for infertility patients, *Curing Infertility with Ancient Chinese Medicine* is also aimed at modern Chinese medical practitioners, most of whom lack any training in the classical ways. Inside, Dr. Seidman shows time and time again that it is, in fact, possible to conceive.

and practice and philosophical views of nature and life. The author's concise writing style leads readers to the core of Chinese medicine.

Emotional trauma can upset the harmony of the body and reduce the body's ability to heal and regulate itself. Once the traumas are identified and treated, the body will function at an optimum level and will respond to treatments for other conditions present. This book integrates the multi-diagnostic and treatment methods existing in Chinese medicine, and contains diagnostics such as facial, pulse, tongue, and channel palpation diagnosis. Treatments include acupuncture, Chinese herbal

File Type PDF Chinese Natural Cures

formulas, qigong, shamanic drumming, and lifestyle and nutritional recommendations. Many types of emotional traumas and their manifestations are presented, including fear, anxiety, panic attacks, PTSD, depression, mood swings, insomnia and sensory organ impairment. How to prevent future emotional trauma will be discussed, and case studies are included to show the application of theory in practice.

"This small, concise book on Chinese dietary therapy has been written specifically for lay readers. It is meant to replace two earlier book I have written on Chinese dietary therapy, Prince Wen Hui's Cook, and Arisal of the
