This title was first published in 2002: The best way to avoid losing at an employment tribunal is to make sure that you don't get drawn into one. Colin Everson offers a practical training resource to help you understand the risks associated with employment tribunals, identify risk areas within your organization and, most important of all, provide you with the means to raise awareness amongst both managers and their

File Type PDF Doents For Employment Trnal

employees and help them develop good people-management practice. At the heart of the resource are three compelling training case studies on unfair dismissal, racial discrimination and sexual discrimination. This resource also provides you with material to audit your current management practices and identify where and how to improve them.

Detailed attention to compliance with labour and employment laws is crucial for success in setting up business in a foreign country. This book – one of a series derived from Kluwer's matchless publication International

This book provides the busy practitioner with a fundamental, step-by-step guide to key aspects of the law regarding unfair dismissal. Concentrating on the client interview to establish the validity of the claim, it guides the practitioner smoothly through the necessary paperwork and highlights the time limits within which a claim can be brought before an industrial tribunal, outlining the conduct of the hearing itself. The book addresses the

File Type PDF Doents For Employment Trnal

important tactical questions which arise at each step of the case and includes detailed lists, ready-to-use forms, precedents and a table of time limits. It also offers potential solutions through conciliation and outlines the appeals process.
