"Estrellita's influence on students after passage of CA's Prop 227: "At one school, first graders in the bilingual program did better on English running records than children in structured English programs. First graders in structured English who had bilingual kindergarten are doing better in English reading than those who had English kindergarten. This is due to Estrellita."

Estrellitas Phonics Program

Something I learned from the Estrellita program is that it can be helpful to teach students multiple syllables with a single vowel, rather than the usual ma me mi mo mu pattern. For example, I teach students ma, pa, sa, and la in one week. Once I've taught all the sílabas con a, I move on to sílabas con e.
