There are 15 GCSE Mathematics higher papers and answers in this book. These are 5 sets of papers 1, 2 & 3 written as practice papers for GCSE Mathematics Higher Examination in May / June 2021. Papers are mainly focusing on Edexcel, AQA & OCR GCSE examinations as well as other similar examination boards.

This pack contains six realistic exam-style practice papers for Higher level GCSE Maths. It also includes a formula sheet and detailed answer book so that students can mark their own work.

This book supports students preparing for the AQA GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam. Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable.

Test questions are provided for each chapter of this textbook, together with detailed mark schemes to make assessment easy. Two versions of each question are provided. One allows pupils to write their answers in the spaces provided and the other requires pupils to have separate writing paper. Questions can be grouped according to needs. Master grids are provided to cut and paste tests together in a consistent format to use the resource in any order. Chapter tests can be grouped to form a module test after chapters. End-of-chapter examinations can also be produced in this way. A free non-calculator supplement organized by unit/chapter is also included in this resource.
