Gandhi was not a rigorist, and his philosophy of life was more of a loose collection of ideas that a strict structure of thought. The initial and most profound influences on his thinking were the Bhagavad-Gita and Christ's Sermon on the Mount, both of which he read while in England in 1888-91. From the former, one of the greatest works of religious poetry in Hinduism, Gandhi encountered the idea that renunciation and "desirelessness" were the key to human happiness and goodness, since only ...

Buy Study Guide. " Reflections on Gandhi " was published in the Partisan Review in 1949, one year after Gandhi was assassinated and three years after Indian independence. Orwell takes up the question of the power of Gandhi's non-violence as a method of political action, and he considers this in the context of India's process of decolonization. Satyagraha, a Sanskrit word meaning "holding onto truth," is a concept that Gandhi developed to refer to nonviolent resistance to evils.

In short, this autobiography details how Gandhi, across his life, was someone who searched for Truth with a capital T—which he identifies with God—by purifying himself through fasting, diet control, giving up sex, the study of religion, and other techniques. He sees ahimsa, or non-violence, as the means by which to find truth. It means more than just refraining from hurting people: it means loving all life on earth and seeking to do good for everyone, even those who oppose you.
