How lovely the ruins. How lovely when illusions fall, and we see ourselves as we are. Rather than being busybodies, meddling in the affairs of others, November reminds us that nothing lasts forever. Make your life count. Never weary in doing right. For seasons come and ago. There is always change. There are always meltdowns. There are always transitions.

This wide-ranging collection of inspirational poetry and prose offers readers solace, perspective, and the courage to persevere. In times of personal hardship or collective anxiety, words have the power to provide comfort, meaning, and hope. The past year has seen a resurgence of poetry and inspiring quotes—posted on social media, appearing on bestseller lists, shared from friend to friend. Honoring this communal spirit, *How Lovely the Ruins* is a timeless collection of both classic and contemporary poetry and short prose that can be of help in difficult times—selections that offer wisdom and purpose, and that allow us to step out of our current moment to gain a new perspective on the world around us as well as the world within. The poets and writers featured in this book represent the diversity of our country as well as voices beyond our borders, including Maya Angelou, W. H. Auden, Danez Smith, Rumi, Emily Dickinson, Naomi Shihab Nye, Alice Walker, Adam Zagajewski, Langston Hughes, Wendell Berry, Anna Akhmatova, Yehuda Amichai, and Robert Frost. And the book opens with a stunning foreword by Elizabeth Alexander, whose poem "Praise Song for the Day," delivered at the inauguration of President Barack Obama, ushered in an era of optimism. In works celebrating our capacity for compassion, our patriotism, our right to protest, and our ability to persevere, *How Lovely the Ruins* is a beacon that illuminates our shared humanity, allowing us connection in a fractured world. Includes poetry, prose, and quotations from: Elizabeth Alexander • Marcus Aurelius • Karen Armstrong • Matthew Arnold • Ellen Bass • Brian Bilston • Gwendolyn Brooks • Elizabeth Barrett Browning • Octavia E. her poem and were so moved that they contacted her to ask for copies. In the wake of our nation's tragedy, poetry has taken on a new relevance in people's lives. As Dinitia Smith noted in *The New York Times*, "In the weeks since the terrorist attacks, people have been consoling themselves-and one another-with poetry in an almost unprecedented way." *Poems to Live By* features sixty of the finest poems by an international group of distinguished writers, including W. H. Auden, Czeslaw Milosz, Bertolt Brecht, Yehuda Amichai, Mary Oliver, Miguel de Unamuno, Gwendolyn Brooks, Billy Collins, Yusef Komunyakaa, and Sharon Olds. Agreeing with Kenneth Burke that literature is equipment for living, Murray has arranged the anthology in six sections that address our most urgent concerns: death and remembrance, fear and suffering, affirmations and rejoicings, warnings and instructions, war and rumors of war, meditations and conversations. Beginning with Faiz Ahmed Faiz's somber remembrance ('This is the way that autumn came to the trees: / it stripped them down to the skin') and concluding with D. H. Lawrence's simple and deep-felt "Pax," *Poems to Live By* addresses our need for wisdom in dark times, whether those times are personal or the ones we live through together.

Survival stratagems from Joan Rivers Whatever doesn't kill you makes you stronger. And always remember: Surviving is the best revenge Look at Alexander Graham Bell, who did 22,000 experiments before he hit on the telephone. Just a few more and he would have had call waiting. Whenever I hit bottom, the only thing I think of was set down by Jerome Kern: Pick myself up, dust myself off and start all over again. Dr. Kevorkian will get no call from me, unless I think he'd look good in a brooch. A fiercely honest and moving story of how Joan Rivers, one of comedy's greatest stars, survived the worst that life could throw at her, how she hit bottom and then made it back to the top.

King Jide Adelani has ruled the lands of the Yoruba in West Africa for many peaceful years, but now his kingdom is in turmoil and the cold grasp of death's embrace is closing in around everything he holds dear. Jide spent years garnering the respect and loyalty of the tribes in the hopes of uniting them into one cohesive empire when his half-brother, Prince Olise, returns from banishment to claim the throne as his own. The offspring of a union between the late King Adeosi and the evil enchantress Ekaete, the bitter Olise has devoted the last decade to one purpose; to seize the throne and rule the kingdom. If he fails, he risks his name being erased from the history of the tribes. With the support of his mother, a powerful witch whose name is whispered in fear across the lands of the tribes, the outcast Olise now seems unstoppable in achieving his goal. Facing overwhelming military might and dark forces that he cannot comprehend, Jide must either choose to ignore the warnings of the gods, and seek help from those who also practice dark arts; or risk losing his kingdom.

Embark on a deeply transformational journey of discovery, creativity, and deeper purpose with author Yoram Weis. Passionate about empowering people across the globe, and inspiring a kinder and more generous world, Weis offers poetic writing that makes for a powerful contribution to the planetary shift in consciousness. The book's magic emanates from the synergy between gorgeous poetic language that illuminates an inner dialogue, and the depth of human experience Weis is able to attain. From awakening you to your unlimited potential, and encouraging you to embrace your intuition, to illuminating the power of facing your fears and the freedom in your forgiveness, "You Are Your Purpose" abounds with profound soul wisdom, expressed through creative imagery, meaningful metaphors, and deep spirituality that speaks directly to the heart. Taking you through the spiral of life lessons, dancing between free will and destiny, and uplifting your spirit to its wider view of life, this insightful guide opens a pathway to expanding into a fuller being.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* **NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER** Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

This powerful memoir and inspirational guide shares a story of loss, resilience, and life-changing lessons found in the darkest seasons of life. When Ashley LeMieux and her husband lost their children in an adoption battle, it sent her into a tailspin that, ultimately, taught Ashley how to soar. Most people live with constant fears, burdens, and pains that they try to hide from themselves or others. In *Born to Shine*, Ashley shares a message of hope for women brave enough to admit that everything is not okay. Because the truth is that even when life is in ruins, people can still shine. LeMieux tells her story in alternating chapters, interspersed with lessons readers can apply in their own lives. It combines personal reflections and practical tools to help women shine despite the darkness, to press forward one day at a time, and to turn their most painful moments into their greatest teachers and signposts to true, deep, unassailable joy.
