you how to influence yourself and others.

This is. Instant Influence is a great motivational tool for business and corporations.

Instant Influence: How to Get Anyone to Do Anything--Fast ...

Really interesting application of motivational interviewing techniques for everyone. Encouraging behaviour change in the shortest possible time. Doesn't get bogged down in why it works but certainly seems to. Of course you are just increasing motivation to change, it's unfortunately not magic. The change itself might not be instant but this helps kick start the process.
