The People & Places series is a collection of short subject documentary films produced by Walt Disney Productions roughly between the years 1953 and 1960. The series (except The Alaskan Eskimo) was filmed in CinemaScope and filming location were countries around the world the Disney staff visited. In October 2019, it was announced that the series would be revived for the Disney+ streaming service.

Most people live in the southwestern states, or in cities along the Pacific coastline. Cable cars run throughout the hilly California city of San Francisco. The cars fasten on to a constantly moving wire cable, gripping it tightly on the way up a hill, and then releasing it to glide down the other side.
