Le marathon est un sport de l'extrême. Extrême pour le corps humain, poussé dans ses retranchements, quand les fonctions de chaque organe sont optimisées pour supporter la douleur et l'épuisement, et parvenir à dépasser ses limites. Extrême également car, du bitume de New York au sable du désert, chaque terre, au quatre coins du monde, doit être foulée des kilomètres durant, quel que soit la température ou le dénivelé. Dans cet ouvrage de référence, les passionnés découvriront les 80 plus beaux marathons du monde. Photos spectaculaires, création de la course, tracé du parcours, anecdote historique : chaque marathon est unique, tout en s'inscrivant dans l'histoire collective d'un sport. Également, une introduction détaillée permettra de connaître l'histoire de cette discipline, sa pratique et ses icônes, à travers les portraits de ses coureurs emblématiques.

Regardless of your confidence level with French, BRAVO!, 8e is a proven solution for success! The book's unique approach enables you to review first-year structures independently before you learn to master new material. BRAVO!, 8e helps you expand your linguistic and cultural knowledge through readings, audio recordings, specialized vocabulary development, and concise yet thorough grammar explanations. A variety of carefully crafted activities—all designed to build competence and confidence in using spoken French in and out of the classroom—help you along the way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

« Mon ami Hercule Rock, un des plus célèbre sportif de Sourisia, m'a concocté un programme d'entraînement personnalisé... J'ai bien failli y laisser mon pelage... C'est que nous devons participer à une course assourissante, où il m'est tout arrivé, vraiment tout, parole de Stilton ! »

Depuis que le programme de commémoration historique a été inauguré par le gouvernement de l'Ontario en 1956, plus de 1 000 plaques ont été érigées d'un bout à l'autre de la province. La variété des sujets commémorés est étonnante, qu'il s'agisse de ruées vers les mines du nord de l'Ontario ou de l'invention de la vis à tête creuse ... de Harold Innis ou de Stephen Leacock ... de l'épidémie de typhus de 1847 ou de la découverte de l'insuline. La culture populaire est également bien représentée: "Beautiful Joe" commémore un roman célèbre dans le monde entier racontant l'histoire d'un chien ; "When You and I Were Young, Maggie" chante une ballade romantique très en vogue ; "Jumbo" marque l'emplacement où est mort un éléphant de cirque très aimé. L'histoire de l'Ontario, tout comme sa géographie et ses habitants, est vaste et variée. Ce guide peut donc être utile, que l'on circule sur l'autoroute, se promène a la campagne ou flâne dans son propre quartier. Il reste encore tant à découvrir.

Written in both English and French, The 9.5mm Vintage Film Encyclopaedia provides a single-volume, comprehensive catalogue of all known 9.5mm film

releases, including: Films: Comprising 12,460 individual entries, this A-Z reference index provides the main listing for each film and its origin where known, along with additional information including cast and crew, and cross references to other relevant material. People: This index of all known actors and film crew, comprising over 12,000 names, provides a listing which is cross referenced to the main entry for each original film they worked on. Numbers: Pathé-Baby/Pathéscope and other distributors' catalogue numbers, film length, release dates (where known) and the series in which the films were organised, are set out in detail. With a foreword from eminent film historian and filmmaker, Keith Brownlow, this extensively researched text explains the importance of the 9.5mm film, from its beginnings in the early 1920s to becoming synonymous with Home Cinema throughout Europe. Readers will also find a brief technical explanation on how 9.5mm films were produced, along with relevant images.

Immerse yourself in modern France with Edmiston/Dumenil's LA FRANCE CONTEMPORAINE, 6th Edition. Providing up-to-date information on the political, social, technological, economic and rich cultural forces that affect this fascinating country and its people, the text will improve your understanding of the Francophone world -- and your communication in French. In addition, end-of-chapter comprehension and discussion activities and sample quizzes will help you master the material, maximize your course success and fully appreciate everything that makes France French.
