New Author's Notes throughout the text speak directly to readers, citing additional resources, and suggesting lesson adaptations, book recommendations, and ways of differentiating instruction.

All fiction is character-driven, according to William Bernhardt, despite what you

## Online Library Literature And Its Writers 6th Edition

might have heard elsewhere. If your characters don't interest readers, even the most exciting plots will fail. "Action is character," Aristotle wrote, but what does that mean, and how can you use that fundamental principle to create dynamic fiction that will captivate readers? This book explains the relationship between

character and plot, and how the perfect melding of the two produces a mesmerizing story. Using examples spanning from The Odyssey to The Da Vinci Code, Bernhardt discusses the art of character creation in a direct and easily comprehended manner. The book also includes exercises designed to help writers
