Lyrical And Critical Essays "The literary output of Albert Camus was exceptionally concentrated and well organized, so that each part of it throws light on the other parts.... Here now, for the first time in a complete English translation, we have Camus' three little volumes of essays, plus a selection of his critical comments on literature and on his own place in it.

~~Lyrical and Critical Essays (Vintage International ...~~

The lyrical essays, the first section of this book, present Camus' deductions about the nature of mankind, written with glorious poetic tenderness. The critical essays, a second portion, present Camus' ideas on what art ought to aspire to, and how it should relate to its own world and its predecessors.

~~[Download] Lyrical and Critical Essays PDF | Genial eBooks~~

The lyrical and critical are intermingled both in sequence of the essays and within the essays themselves. Few are purely critical as Curtin draws in a mixture of literary and philosophical considerations for different perspectives on a given topic. A few essays begin seemingly entirely whimsical but through their lyrical references and associations with some of the oddities of life and society become more critical and pointed.
