This new, revised edition deftly guides the reader through the organizational change process from start to finish, offering practical advice grounded in the authors' vast experience working with every size and type of organization.

Amazon.com: Managing Transitions: Making the Most of ...

Generally, decisions to create change are made and implemented whether the people are on board or not. A spirit of "they will have to just accept them" is the operative mantra. But, as Bridges points out so well, we can do much to ease these transitions and keep our employees "on-board and involved."

Managing Transitions 4th Edition: Making the Most of Change

Interventions to Help Transition (pg.15) – Communicate individual behavior change – Identify & understand who will lose what – Sell the problem – Get employees in touch with clients – Talk to employees and ask what problems they have with the change – Talk about the transition and let people know its human to feel – Hold regular team meetings even before the change.

" Managing Transitions " by William Bridges

Somehow, the idea that we ' re making a transition seems larger than making a change and simultaneously more concerning and more comforting. Managing Transitions: Making the Most of Change intentionally couples the word " transitions " to change to remind us of the personal nature of the kinds of change most of us consider.

Book Review-Managing Transitions: Making the Most of ...

Managing Transitions was timely when it first appeared twenty-five years ago. It is even more relevant now, at a time of unprecedented change and transition. The Bridges' deep understanding of how we experience the destabilizing forces of change--and their well-tested strategies for helping people through it--are more important than ever.
