This book surveys the full richness of Celtic art and discusses the settlements, social structure, cultural backgrounds, foreign contacts and the technological and spiritual developments that created it. Taking into account the archaeological and historical contexts as well as the art-historical, the authors attempt to get closer to the art through the people who created, ordered, paid for and enjoyed the many treasures illustrated here, such as the Tara Brooch and the Monymusk Reliquary as well as countless less well-known items some discovered as recently as 1994.

Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! Thirteen is supposed to be a great age—dances, cheerleading, boys—but she never thought it would also include cancer. Dawn Rochelle is about to face the toughest fight of her life—a fight she has to win. Otherwise, she has only six months to live.

They're hiding under the bed. And in the closet. And anywhere else you've stashed yarn. They're friendly little monsters, and they're ready to come out and play! Popular designer Rebecca Danger presents 20 patterns for the most adorable monsters ever to climb off a pair of knitting needles. All are shown in two colorways, and most are done in two yarn weights, to help you pick the perfect yarn to suit your monster's personality.

THE ONLY EXCEL BOOK YOU NEED We crafted this book to grow with you, providing the reference material you need as you move toward Excel proficiency and use of more advanced features. If you buy only one book on Excel, Special Edition Using Microsoft® Office Excel® 2007 is the book you need. Does your life play out in a spreadsheet? Do numbers in columns and rows make or break you in the work world? Tired of having numbers kicked in your face by other Excel power users who make your modest spreadsheets look paltry compared to their fancy charts and pivot tables? If you answered yes to any of these questions, Special Edition Using Microsoft® Office Excel® 2007 is the bookthat will make it all better. Learn quickly and efficientlyfrom a true Excel master using the tried and true SpecialEdition Using formula for success. Here, you'll findinformation that's undocumented elsewhere—even inMicrosoft's own Help systems. You'll learn from finelycrafted, real-life examples built by an author who livesand dies by the integrity of his spreadsheets. Excel's backbone is its formulas and functions. Master those and you will master your spreadsheets. Special Edition Using Microsoft Office® Excel® 2007 provides more down and dirty help with your formulas and functions than you'll find in any other book! See how it's done in real life! Don't settle for lame pivot table and chart examples found in other books… This book provides beautifully detailed examples that not only show you how it should be done, but how to be the local worksheet hero!

Offers advice to aspiring writers of young adult fiction and nonfiction including how and where to submit your manuscript, how working with a traditional publisher differs from self-publishing, and how best to market your book.

During the 1950s, Moss lamps radiantly combined plexiglas bodies, spun glass shades, and spinning figurines transforming humdrum home decor into something extraordinary.
