~~Trailer~~ **Peak Performance Book**

" Peak Performance is a must read for anyone hoping to grow and achieve success in any area of their life. Relatable and readable, it identifies the skills and disciplines successful people have in common and teaches us what we can do to achieve the success that we want. I am excited to put what I have learned to use in my running and beyond."

Peak Performance: Mental Training Techniques of the World ...

When I have taught peak performance, this book has been foundational in my attempt to help individuals reach their goals. The primary reason is the experience that Dr. Garfield had working with world class athletes. A graph in this book was the most profound example I have ever seen regarding the power of mental exercise.
