~~Teresa Eckford's Richard III  
Bibliography : All About  
Romance~~

"This new documentary study, by the author of *Richard III: A Source Book*, presents contemporary and near-contemporary sources for Edward IV and his reign clearly and concisely, enabling the reader to appreciate just why the king's reputation has fluctuated so remarkably, and provides an indispensable compendium for all who wish to enter the political world of Yorkist England."--BOOK JACKET.

Paperbacks  
After the death of Edward IV of England in 1483 it was claimed by his brother Richard, the future Richard III, that she had had a legal precontract of marriage to Edward, which invalidated the king's later marriage to Elizabeth Woodville. According to Richard, this meant that he, rather than Edward's sons, was the true heir to the throne.
