This reissue of the pioneering and standard book on antebellum women's domestic novels contains a new introduction situating the book in the context of important recent developments in the study of women's writing. Nina Baym considers 130 novels by 48 women, focusing on the works of a dozen especially productive and successful writers. Woman's
.....

Raising key questions about race, class, sexuality, age, material culture, intellectual history, pedagogy, and gender, this book explores the myriad relationships between feminist thinking and Little Women, a novel that has touched many women's lives. A critical introduction traces 130 years of popular and critical response, and the collection presents 11 new essays, two new bibliographies, and reprints of six classic essays. The contributors examine the history

File Type PDF Term Paper Little Women

of illustrating Little Women; Alcott's use of domestic architecture as codes of female self-expression; the tradition of utopian writing by women; relationship to works by British and African American writers; recent thinking about feminist pedagogy; the significance of the novel for women writers, and its implications from the vantage points of middle-aged scholar, parent, and resisting male reader.

Seminar paper from the year 2004 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Münster (Englisches Seminar), course: Literaturwissenschaftliches Proseminar, language: English, abstract: When Louisa May Alcott wrote part one and two of her famous novel "Little Women" in 1868/69 the main reason for this was money. Being already 35 and having a lot of experience with writing in different genres, she tried to produce a girl`s story and followed her editor`s request. She never expected it to be such a success. Until today the story about Jo, Meg, Beth and Amy has never been out of print and has been translated into twenty-seven languages. In 19th century New England it was regarded modern and unique in children`s literature and despite time has changed, it is still popular with young readers today. But what is it that distinguishes Alcott`s work from that of other children authors of that period and makes her so unique? One central aspect in "Little Women" is the

File Type PDF Term Paper Little Women

education of the four March-sisters and their growing-up into womanhood. They are accompanied by their loving mother who introduce them into society by giving helpful advice. In how far does this process and the novel at all reflect real life and cultural values of Victorian age? What picture of family life, society and the position of women within it did Alcott develop? To solve this question special attention shall be paid to educational values and sexual definitions of the 19th century described in the book, the importance of work on the one hand and domesticity on the other, the different characters with their individual features, especially of Alcott`s alter ego Jo March. Education plays a very important role in solving the question because it sets the foundation of every individual life and might define the development of a whole society. It will be interesting to analyse the children`s novel and perhaps find both modern and contemporary components in it. With the help of secondary literature - biographies, critical essays, statements of the author herself - it will be possible to answer the question what role society and feminist ideas play in "Little Women". Since Alcott obviously used her own autobiographical background as an inspiration for writing the novel, it is sometimes necessary to look at the author`s life, acquaintances and surroundings as well as to consider the customs, mores and the situation of women and society at all in the 19th century.

File Type PDF Term Paper Little Women

An original novel based on the classic work follows three adolescent sisters--Meg, Jo, and Amy--as they work through their disappointment over learning of their mother's affair and their father's easy forgiveness. Reader's Guide available. Reprint. 35,000 first printing.

The National Book Critics Circle Award-winning author delivers a collection of essays that serve as the perfect "antidote to mansplaining" (The Stranger). In her comic, scathing essay "Men Explain Things to Me," Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don't, about why this arises, and how this aspect of the gender wars works, airing some of her own hilariously awful encounters. She ends on a serious note—because the ultimate problem is the silencing of women who have something to say, including those saying things like, "He's trying to kill me!" This book features that now-classic essay with six perfect complements, including an examination of the great feminist writer Virginia Woolf's embrace of mystery, of not knowing, of doubt and ambiguity, a highly original inquiry into marriage equality, and a terrifying survey of the scope of contemporary violence against women. "In this series of personal but unsentimental essays, Solnit gives

File Type PDF Term Paper Little Women

succinct shorthand to a familiar female experience that before had gone unarticulated, perhaps even unrecognized." –The New York Times "Essential feminist reading." –The New Republic "This slim book hums with power and wit." –Boston Globe "Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society." –San Francisco Chronicle "Essential." –Marketplace "Feminist, frequently funny, unflinchingly honest and often scathing in its conclusions." –Salon

Bachelor Thesis from the year 2019 in the subject American Studies - Literature, grade: 1,7, University of Wuppertal, language: English, abstract: This paper compares Louisa May Alcott's "Little Women" and Anna Todd's "The Spring Girls" paying special attention to gender roles in the two novels. It aims to look at Anna Todd's retelling by portraying the change and development of the role of women and feminism in a period of 150 years. So, the main question will be: What changes and new issues in the role of women in America can be found in the retelling, "The Spring Girls", which was published 150 years after "Little Women" and how does the author, Anna Todd, deal with Louisa

File Type PDF Term Paper Little Women

May Alcott's legacy? In order to answer the question above, the paper will start off by building a theoretical frame on the history of feminism and adaptation theory. Latter will firstly, define the term adaptation and then, focus on the general changes and their effects in "The Spring Girls". Next, the paper will continue with the main part which will depict more specific changes in the new novel, changes in the role of women and the perception of feminism. In doing so, it will focus on four different topics, namely, the home sphere, class and social acceptance, relationships and sexuality, and last but not least the new woman. This is aimed to be achieved by analyzing and comparing Louisa May Alcott's Little Women and Anna Todd's retelling The Spring Girls. The analysis of the stories of all of the four sisters instead of only one, as found in most research papers, aims to offer a new feminist reading of the novel.

Valerie Martin's Property delivers an eerily mesmerizing inquiry into slavery's venomous effects on the owner and the owned. The year is 1828, the setting a Louisiana sugar plantation where Manon Gaudet, pretty, bitterly intelligent, and monstrosly self-absorbed, seethes under the dominion of her boorish husband. In particular his relationship with her slave Sarah, who is both his victim and his mistress. Exploring the permutations of Manon's own obsession with

File Type PDF Term Paper Little Women

Sarah against the backdrop of an impending slave rebellion, Property unfolds with the speed and menace of heat lightning, casting a startling light from the past upon the assumptions we still make about the powerful and powerful.

A People Magazine and POPSUGAR pick! “[May's] adventures illuminate the world of intrepid female artists in the late 1800s [...] The Other Alcott comes alive in its development of the relationship between Louisa and May.” --The New York Times Elise Hooper's debut novel conjures the fascinating, untold story of May Alcott–Louisa's youngest sister and an artist in her own right. We all know the story of the March sisters, heroines of Louisa May Alcott's Little Women. But while everyone cheers on Jo March, based on Louisa herself, Amy March is often the least favorite sister. Now, it's time to learn the truth about the real “Amy”, Louisa's sister, May. Stylish, outgoing, creative, May Alcott grows up longing to experience the wide world beyond Concord, Massachusetts. While her sister Louisa crafts stories, May herself is a talented and dedicated artist, taking lessons in Boston, turning down a marriage proposal from a well-off suitor, and facing scorn for entering what is very much a man's profession. Life for the Alcott family has never been easy, so when Louisa's Little Women is published, its success eases the financial burdens they'd

File Type PDF Term Paper Little Women

faced for so many years. Everyone agrees the novel is charming, but May is struck to the core by the portrayal of selfish, spoiled "Amy March." Is this what her beloved sister really thinks of her? So May embarks on a quest to discover her own true identity, as an artist and a woman. From Boston to Rome, London, and Paris, this brave, talented, and determined woman forges an amazing life of her own, making her so much more than merely "The Other Alcott." "Elise Hooper's thoroughly modern debut gives a fresh take on one of literature's most beloved families. To read this book is to understand why the women behind Little Women continue to cast a long shadow on our imaginations and dreams. Hooper is a writer to watch!"—Elisabeth Egan, author of A Window Opens
