Praise for A MANIAC COMMODITY TRADER’S GUIDE TO MAKING A FORTUNE "Kevin Kerr has the keenest instincts of any commodities trader I've ever met. His recommendations are money in the bank. This book is your passport to the exciting, frantic, frustrating, and potentially enormously rewarding world of futures trading. Do you want to make money in futures and options? Read this book and let a master show you not only how to trade, but how to trade to win." --Sean Brodrick, Editor, MoneyandMarkets.com "Any old trader can throw money into the commodity pits, although why do you think that they call them ‘pits’? With Kevin Kerr as your guide to understanding the commodities markets, it is as if you have Babe Ruth as your batting coach. Kevin has that uncanny knack for doing things right, and the magic eye that can see the stitches on the fastball. Kevin’s brilliant new book will help you to develop the ability to choose your pitch, and to swing at the ones on which you can make money. Before you play another inning of the commodities game, Read This Book!" --Byron W. King, Contributing Editor, Whiskey and Gunpowder, www.whiskeyandgunpowder.com

Explore the many obstacles that Maniac Magee encounters in this eye-opening book. Students will learn to analyze prejudices and other challenges that Magee faces by completing fun, challenging activities and lessons provided in this digital instructional guide for literature. This e-book guide is the perfect tool for teachers to aid students in analyzing and comprehending this story. Appealing and challenging cross-curricular lessons and activities incorporate research-based literacy skills to help students become thorough readers. Reproducible Reading Study Guides that give students the background and support they need to understand and enjoy literature. With these reading guides, your students will practice reading comprehension skills, sharpen their vocabulary and learn to identify literary elements.

"This important study explores the medicalization of alcohol abuse in the 19th century US " and its influence on American literature and popular culture (Choice). In Rum Maniacs, Matthew Warner Osborn examines the rise of pathological drinking as a subject of medical interest, social controversy, and lurid fascination in 19th century America. At the heart of that story is the disease that afflicted Edgar Allen Poe: delirium tremens. Poe 's alcohol addiction was so severe that it gave him hallucinations, such as his vivid recollection of standing in a prison cell, fearing for his life, as he watched men mutilate his mother 's body—an event that never happened. First described in 1813, delirium tremens and its characteristic hallucinations inspired sweeping changes in how the medical profession saw and treated the problems of alcohol abuse. Based on new theories of pathological anatomy, human physiology, and mental illness, the new diagnosis established the popular belief that habitual drinking could become a psychological and physiological disease. By midcentury, delirium tremens had inspired a wide range of popular theater, poetry, fiction, and illustration. This romantic fascination endured into the twentieth century, most notably in the classic Disney cartoon Dumbo, in which a pink pachyderm marching band haunts a drunken young elephant. Rum Maniacs reveals just how delirium tremens shaped the modern experience of alcohol addiction as a psychic struggle with inner demons.

Learn to Write Compelling Monsters, Maniacs, Aliens, and Fantasy Creatures! Bestselling authors know you must create incredible monsters and maniacs to hook readers.
