My Transition And Things I Would Have Done Differently *The Velvet Rage*

The Velvet Rage is a chronicle of furtive pathos, anger, compensatory fabulousness, despair, sex addiction, and flickerings of hope as its wounded actors make their way by uncertain stages toward a light of authenticity and self-acceptance their culture does not want them to find or even see. In its pages, through anecdotal moments and analytical passages, one is constantly catching glints of ...

Pride and prejudice for gay men | Mental health | The Guardian

Our 'velvet rage' comes out when these compensating strategies begin to weaken and crack, leaking out ferocious and foul bouts of poisonous rage, often directed at innocents. Downs provides a lot of first-hand testimony from other gay men as to how these compensation tactics work and yet, ultimately fail. These quotes are oddly placed in sidebar boxes adjacent to the text body. For the ...
