President Jack Ryan deals with the worst breach U.S. intelligence has ever suffered in this "compelling and frighteningly realistic" thriller in Tom Clancy's #1 New York Times bestselling series. A massive data breach has compromised the personal information of millions of American military officers and intelligence agents. After several deadly attacks on off-duty personnel and their families, President Jack Ryan faces one of the greatest challenges of his career. Can he find the hackers and cap the flow of information before it's too late?

Receiving intelligence from the Campus that the world's most threatening terrorist has been tracked to a specific location, Jack Ryan, Jr., the organization's latest recruits and his cousins embark on a dangerous mission to capture him. By the best-selling author of The Hunt for Red October. Reprint.

As mounting tensions between China and the United States push the world's two great powers to the brink of war, it falls to President Jack Ryan to identify the lethal chess master behind the scenes in this thriller in Tom Clancy's #1 New York Times bestselling series. Jack Ryan is dealing with an aggressive challenge from the Chinese government as the G20 Summit approaches. Pawns are being moved around a global chessboard: an attack on an oil platform in Africa, a terrorist strike on an American destroyer and a storm tossed American spy ship that may fall into Chinese hands. It seems that Premier Zhao is determined to limit Ryan's choices in the upcoming negotiations. But there are hints that there's even more going on. A routine traffic stop in rural Texas leads to a shocking discovery—a link to a Chinese spy who may have intelligence that lays bare an unexpected revelation. John Clark and the members of the Campus are in close pursuit, but can they get the information in time?

Examines the art of war and peace as seen by a retired Marine general, chronicling the evolution of the U.S. Marine Corps through the Vietnam era to the new realities of the military in the post-Cold War, post-September 11th era.
