Vengeance: The True Story of an Israeli Counter-Terrorist ...

“ Vengeance ” author George Jonas avers that he has written the true story of how eleven Israel athletes, murdered by the PLO in Munich during the 1972 Olympics, were avenged. Since its publication in 1984 the book has been widely criticized because many do not graciously accept the idea that Israel would support the sort of activity he outlined.

Vengeance is a true story that reads like a novel. It is the account of five ordinary Israelis, selected to vanish into "the cold" of espionage secrecy -- their mission to hunt down and kill the PLO terrorists responsible for the massacre of eleven Israeli athletes at the Munich Olympics in 1972. This is the account of that secret mission, as related by the leader of the group -- the first Mossad agent to come out of "deep cover" and tell the story of a heroic endeavor that was shrouded in ...

espionage classic. The story of five ordinary young Israelis whose mission it was to hunt down and kill the terrorists responsible for the massacre of eleven athletes at the 1972 Munich Olympics, Vengeance plunges the reader into an explosive world of terrorism and political murder. This is an account of what happened when five idealistic volunteer agents were sent to track down and kill the central figures of the PLO's Munich operation, told from the point of view of "Avner," a member of the team chosen to avenge the monstrous crime, and the first Mossad agent to come out of "deep cover" to tell his story. His description of the mechanics, the horrors and the unrelenting suspense of this mission surpasses the wildest fabrications of today ' s blockbuster movies and bestselling crime thrillers. As these men moved from country to country, changing identities and risking their lives, they soon became targets

themselves—tracked, hunted and even killed. A profoundly human story, Vengeance explores firsthand the revulsion and doubt that came to torment the Israeli agents, inexorably changing their view of the mission and ultimately how they felt about themselves. It is also a stark examination of the timeless concerns that continue to plague our consciousness today: the nature of good and evil, and the difference between right and wrong.

It's December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. To their horrified astonishment it emerges that the attacks are not random: the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and

the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth, and where the once great Siberian Tiger - the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction of what they once were. We meet the native tribes who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a natural balance. We witness the first arrival of settlers, soldiers and hunters in the tiger's territory in the 19th century and 20th century, many fleeing Stalinism. And we come to know the

File Type PDF Vengeance The True Story Of An Israeli

Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters and how early Homo sapiens may have once fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written and deeply informative, *The Tiger* is a gripping tale of man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest.

It's December 1997, and a man-eating tiger

is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. As the trackers sift through the gruesome remains of the victims, they discover that these attacks aren't random: the tiger is apparently engaged in a vendetta. Injured, starving, and extremely dangerous, the tiger must be found before it strikes again.

"A fast-moving tale of courage, cruelty, hardship, and savagery."--Pittsburgh Post-Gazette In North America's first major conflict, known today as the French and Indian War, France and England--both in alliance with Native American tribes--fought each other in a series of bloody battles and terrifying raids. No confrontation was more brutal and notorious than the massacre of the British garrison of Fort William

File Type PDF Vengeance The True Story Of An Israeli

Henry--an incident memorably depicted in James Fenimore Cooper's *The Last of the Mohicans*. That atrocity stoked calls for revenge, and the tough young Major Robert Rogers and his "Rangers" were ordered north into enemy territory to exact it. On the morning of October 4, 1759, Rogers and his men surprised the Abenaki Indian village of St. Francis, slaughtering its sleeping inhabitants without mercy. A nightmarish retreat followed. When, after terrible hardships, the raiders finally returned to safety, they were hailed as heroes by the colonists, and their leader was immortalized as "the brave Major Rogers." But the Abenakis remembered Rogers differently: To them he was Wobomagonda--"White Devil."

Death of a Texas Ranger is the thrilling, action-packed story of the murder of Texas Ranger John Green by Cesario Menchaca,

File Type PDF Vengeance The True Story Of An Israeli

One of three Rangers of Mexican descent under Green ' s command. Immediately word spread that the killing may have been the botched outcome of a contract taken out on Menchaca ' s life by the notorious Gabriel Marnoch, a local naturalist who had run up against the law himself. But was it? Much more than just a story about a tragic frontier killing, it is the story of an era. The events leading up to the murder and Green ' s son ' s decades ' long quest for justice for his father ' s killer exemplify the chaotic frontier society in Texas after the Civil War, a time fraught with political turmoil and cultural clashes. Amidst that chaos, the virgin landscape of Texas was a magnet to those interested in the natural sciences in the nineteenth century, an era often referred to as the Age of Darwin. The clash between the seemingly pastoral landscape with its offerings for science and the brutal history of the region ties this very

readable regional history into the larger
American story.

The tragic, true story of Helen Spence, the teenager who murdered her father ' s killers in the insulated lower White River area of Arkansas in 1931. The once-thriving houseboat communities along Arkansas ' s White River are long gone, and few remember the sensational murder story that set local darling Helen Spence on a tragic path. In 1931, Spence shocked Arkansas when she avenged her father ' s murder in a DeWitt courtroom. The state soon discovered that no prison could hold her. For the first time, prison records are unveiled to provide an essential portrait. Join author Denise Parkinson for an intimate look at a Depression-era tragedy. The legend of Helen Spence refuses to be forgotten—despite her unmarked grave.

“ Most memorably, Parkinson evokes the
